NIPPON

CLOTHES
MOTH
SPRAY   HSE 10053

Also kills carpet moths, fleas and other pests

Contains 0.05 % w/w cypermethrin

A water based ready-to-use product to control moths, fleas, and other household pests in and around the home.

DIRECTIONS FOR USE
Shake container well and spray from a distance of 30cm.
Carpet moths & clothes moths: Can be applied to carpets and rugs, paying particular attention around the edges of the room and beneath furniture. Also for use in empty wardrobes to treat against clothes moths (remove clothes before treatment and launder).
Fleas: Apply a light spray to carpets, soft furnishings and any areas where animals frequent, including carpet edges, cracks and crevices. Allow to dry and repeat as required.

STATUTORY CONDITIONS RELATING TO USE
FOR USE ONLY AS AN INSECTICIDE.
Apply 40ml of product per square metre of surface.
Spray from a distance of 30 cm.
Users must comply in full with all their legal responsibilities under the Control of Pesticides Regulations 1986 (as amended), including complying with all Conditions of Approval.
