# FLY TRAP WINDOW STICKERS

- Attractive sunflower design.
- Traps flies on contact.
- Effective for over 3 months.

**4 TRAP  
PACK**

## DIRECTIONS FOR USE

Nippon Fly Trap Window Stickers control flies and other flying insect pests. Flies are attracted to the sticky surface of the sunflower design and are trapped on contact.

The traps can be used safely in kitchens, living rooms, bedrooms, bathrooms, greenhouses, conservatories and caravans.

Pesticide free - ideal for kitchen use.

1. Peel off the cream coloured protective paper and stick onto the inside of the window pane near the top.
2. Remove the white coloured protection paper to expose the sticky side.
3. For best results choose sunlit windows.

Reapply as necessary, dispose of used trap safely.

Store away from frost.  
Keep product and packaging  
away from children and pets.
