

GIVE YOUR GARDEN THE BEST

- ✓ More flowers with brighter blooms
- ✓ Bumper crops of tastier fruit & veg
- ✓ Bigger, stronger shrubs and trees
- ✓ Slow release - one handful feeds for weeks

Give your flowers, fruit and vegetables the best with Vitax Q4. Trusted by generations of gardeners and professional nurserymen, Vitax Q4 will nourish your garden with its unique organo-mineral base and slow-releasing nutrients, bringing your blooms and crops to life.

Originally developed for commercial growers, the unique formulation of Vitax Q4 has proved to be the outstanding general purpose fertiliser for all plants.

Vitax Q4 contains the vital plant foods and trace elements essential for vigorous plant growth, abundant flowering and ripening of fruit.

DIRECTIONS FOR USE

Apply evenly to soil at the rates recommended below, preferably when the soil is moist. Lightly hoe into the top surface of the soil, and in dry conditions water in.

Note: 1 gloved handful contains approximately 35g.

FLOWERS, ROSES AND SHRUBS

Use 140 g/m² (4 oz/sq yd) before sowing and planting, or for established plants as an annual dressing in the spring.

Chrysanthemums:

Apply 200 g/m² (6 oz/sq yd) before planting in soil. Spread 35 g/m² (1 oz/sq yd) as a regular feed at 3-4 week intervals.

VEGETABLES

Use 140 g/m² (4 oz/sq yd) before sowing and planting. Top dress vegetables at 70 g/m² (2 oz/sq yd) once or twice during the summer months.

FRUIT

Apply before planting or for established plants, in early spring. When top dressing, apply evenly to the soil surface beneath the leaves and branches of the tree.

Apples, Pears, Plums:

175 g/m² (5 oz/sq yd).

Currants, Gooseberries, Raspberries:

140 g/m² (4 oz/sq yd).

Strawberries:

70-100 g/m² (2-3 oz/sq yd).

TOMATOES

Apply 200 g/m² (6 oz/sq yd) before planting in soil. Spread 35 g/m² (1 oz/sq yd) as a regular feed at 3-4 week intervals.

LAWNS

Use 140 g/m² (4 oz/sq yd) prior to seed sowing or laying turf.

ENRICHED WITH ORGANIC NUTRIENTS

- ✓ LONGER LASTING
- ✓ NOT WASHED AWAY
- ✓ STEADY RELEASE

PREMIUM STANDARD

UNIQUE
Unique formulation - trusted by generations of gardeners for outstanding results.

EFFECTIVE
Contains an organo-mineral mixture for a steady release of nutrients in all soil types. Organic nutrients are not washed away.

VALUE
Requires fewer applications - Better value and easier to use.

Abundant flowering & brighter blooms

Bumper crops of tastier fruit & veg

Trace elements for optimal plant growth

Healthier shrubs with more foliage

Helpful Advice

Read the directions carefully before use.

Store the fertiliser in a dry place away from children, pets and foodstuffs.

Product may irritate cut or broken skin. Wash hands after use.

Do not exceed the recommended application rates.

Avoid the fertiliser lodging on leaves and stems.

Always wear gloves when gardening

ALL PURPOSE PREMIUM PLANT FOOD
