

HOUSE PLANT LEAFSHINE

DANGER

Extremely flammable aerosol.

Pressurised container:

May burst if heated.

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.

Do not spray on an open flame or other ignition source.

Do not pierce or burn, even after use.

Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F.

Keep out of reach of children. Do not breathe spray. Use only outdoors or in a well-ventilated area.

Dispose from contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.

Repeated exposure may cause skin dryness or cracking.

Contains ≥ 30% aliphatic hydrocarbons.

HOUSE PLANT LEAF SHINE

FOR GLOSSY FOLIAGE

- ✓ Instant and long-lasting shine
- ✓ No need to polish or dust

200ml

HOUSE PLANT LEAFSHINE

Brightens the leaves of many house plants including Philodendron, Ficus, Monstera, Schefflera and Croton with a lasting dust free shine.

DIRECTIONS FOR USE

Spray a light coating at least 35 cm (14") away from leaf surfaces. Do not overspray.

At room temperature the spray will dry in minutes. Spray only on glossy and thick leaved plants. Do not spray delicate foliage, e.g. ferns, hairy-leaved, very young plants, cacti or succulents. Avoid spraying young shoots and flowers. Avoid spraying directly onto polished surfaces, wall finishes, fabrics and floors.
