

INSTRUCTIONS FOR USE

Deters fouling* by foxes and dogs.

Reduces damage in the garden caused by birds, cats*, deer*, rabbits, hares and moles. Ideally, apply as soon as the problem is observed. Reapplication may be necessary to give extended protection.

WHERE TO USE

Use to deter foxes and dogs from fouling and other animals and birds from damaging patios, paths and driveways, ornamental borders, lawns/grass, and all edible and non-edible crops. Apply either before or immediately after the first signs of damage under dry conditions and ensure that the spray deposit dries on the crop/plants/area to be protected. It is not systemic and fresh application may be necessary on plant re-growth. If rain occurs before the deposit dries, reapplication will be necessary.

Wash area down

Set nozzle to 'Spray'

Apply to the area

HOW TO USE

SHAKE WELL BEFORE USE.

The product is a ready to use formulation suitable for immediate application without any mixing or dilution. Activate the spray nozzle as indicated on the packaging and lightly spray areas to be treated ensuring good coverage. Once completed the trigger mechanism should be turned off prior to storage. 750ml is sufficient to treat 37.5m². Allow a minimum of 14 days between applications.

To deter fouling by foxes and domestic animals (cats and dogs): if possible, remove previous fouling and wash down the area with detergent / disinfectant prior to application. If the fouling pattern is well established repeat applications will be necessary.

To avoid risks to human health and the environment, comply with the instructions for use.

SAFETY INSTRUCTIONS

Protection during use

- Keep out of reach of children.
- WASH HANDS AFTER USE.
- If medical advice is needed, have product container or label at hand.

Storage and disposal

- KEEP AWAY FROM CHILDREN AND PETS.
- KEEP IN ORIGINAL CONTAINER, tightly closed, in a safe place.
- EMPTY CONTAINER THOROUGHLY and dispose of safely.
- Do not empty into drains.
- Do not contaminate water with the product or its container.
- PROTECT FROM FROST.
- Dispose of empty packaging by recycling. Dispose of unused product in its container at a household waste site (civic amenity site). Contact your local council (local authority) for details.

Bottle widely recycled - tear off sleeve here first

Trigger Spray Head and Film Sleeve - Do not recycle

TEAR

750 ml e

Note: RTU Stay Off may cause some discolouration of patio slabs and sensitive surfaces. If in doubt test first on an inconspicuous area before applying extensively.

* based on additional limited evidence.

Fox Deterrent

For use around bins, on lawns, patios and garden beds

Humane - No harm to wildlife or plants

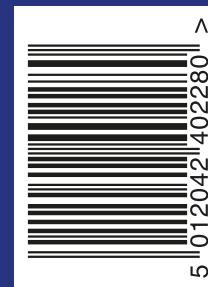

USE PESTICIDES SAFELY / READ THE LABEL

A ready to use vertebrate repellent containing 10.4 g/L aluminium ammonium sulphate for use in the garden to reduce damage caused by various animal and bird species and for the deterrence of fouling from dogs (cats) and foxes.

ENVIRONMENTAL PROTECTION

DO NOT empty into drains. DO NOT contaminate water with the product or its used container.

FOR USE ONLY AS AN AMATEUR ANIMAL AND BIRD REPELLENT
