Acer Feed

Liquid

Acer Feed

For healthy growth and vibrant foliage in all Japanese Maple

Liquid

Acer Feed

Liquid

Acer Feed

A balanced liquid feed for fast nutrient uptake encouraging bright, healthy leaves and strong root growth.

Suitable for Acers grown in pots or in the garden.

APPLICATION

1 cap filled to the top = 20 ml.

Mix 1 capful of Vitax Acer Feed into 6 litres of water.

Thoroughly water the solution into the soil around the base of the plants.
Feed every 14 days from April to September.

Tip: Acers are sensitive to drought and in dry conditions, should be watered regularly between feeds.

TAILORED NUTRIENTS

An ideal, balanced mix of nutrients

Stronger roots for more robust plants

Revives tired and weak plants

For Acers in borders, pots and containers

Stronger, bigger plants and rich leaf colour

Brighter Autumn colours
