Growmore

General purpose fertiliser for all around the garden and greenhouse. Contains the three major nutrients essential for strong and healthy growth. Vitax Liquid Growmore will promote heavy crops of fruit and vegetables, vigorous plants and beautiful flowers.

DIRECTIONS FOR USE

Mix 1 capful in 6 litres of water. Apply using a watering can and a rose, commencing feeding in the spring. Continue to feed throughout the growing season.

In the Garden

Water in thoroughly around the base of growing plants.

In the Greenhouse

Feed generously every week ensuring plants do not dry out.
