Cap - widely recycled

# Tub & Hanging Basket Feed

Specially formulated with essential nutrients  
and wetters to improve penetration of  
fertiliser into composts. For an abundant  
and colourful array of high quality flowers in  
hanging baskets, tubs, planters and  
window boxes

## DIRECTIONS FOR USE

Mix 1 capful (20 ml) in 4.5 litres of water. Feed tubs,  
hanging baskets, planters, etc at weekly intervals  
throughout the growing season.

Do not allow plants to dry out between treatments.

## Advice

Wear gloves when gardening.  
Shake well before use.  
Store away from direct  
sunlight between 0 and 30°C.
